

ATTENTION SENIORS

The Athletic Edge would like to recognize all of those special young ladies who have dedicated several years to the sport of gymnastics by honoring this year's graduating seniors. The State of Oregon will be doing a special announcement for seniors and would like the information below filled out and returned. AE will have a page in our program that will list all of our seniors from every gym but if you would like more detail about your senior, please see the ad flyer for additional space. If you have a graduating senior on your team, please fill out the information below and return it by either mail or email. Thank you!

1379 Madison St. NE Salem, OR 97301
